FACT

BENEFIT

*Luxuriously soft touch 3D
Multi-Quilted Diamond ticking*

The soft diamond kitted covers provide the most luxurious feel yet. The Hypersoft 200 allows for maximum breathability and the ultimate sleeping climate. It acts as an effective moisture guard with anti-bacterial properties to enhance the life of the mattress.

*Luxurious high density genuine
natural latex and buoyant
Polyurethane foam*

The imported 100% Natural Latex layers ensure ideal temperature regulation and most importantly increased pushback properties that help you turn during the night.

*High density Virgin Foam posture
support core*

The high density Virgin Foam provides an unmatched cell-support structure and maximum durability for a long lasting and comfortable nights rest.

*Precision engineered Airflow
Technology.*

The foam structure inside the Cloud Nine Apex collection beds have been precisely engineered with airflow channel technology that allows optimal breathability for added temperature regulation.

*Key-hole structural design with
Unique Hip Support Technology*

The intelligently designed airflow channels have been engineered to compress in a way that supports and molds to the contours of your body and sleeping position providing the ultimate sleeping experience.

Zero movement transfer

This mattress offers zero movement transfer through Cloud Nine's advanced posture support structure; This means that you will no longer disturb sleeping partners.

Allergy Free

This mattress is 100% odor free and contains 0 chemicals that cause regular human allergies such as; sneezing or clogged up sinuses.

Hygienic & Non-Toxic

The foam used in every Cloud Nine mattress is made to be completely stable, non-toxic and hygienic.
