BENEFIT

Luxuriously soft touch 3D Multi-Quilted Diamond ticking

The soft diamond kitted covers provide the most luxurious feel yet. The Hypersoft 200 allows for maximum breathability and the ultimate sleeping climate. It acts as an effective moisture guard with anti-bacterial properties to enhance the life of the mattress.

High density buoyant Polyurethane foam layers with Green Bead Technology

This top-to-mid layer of foam offers stable spinal support and gives the mattress a gently firm, luxurious feel. Polyurethane foam gives the mattress it's iconic comfort. Natural green beads for temperature regulations

High density Virgin Foam posture support core

The high density Virgin Foam provides an unmatched cell-support structure and maximum durability for a long lasting and comfortable nights rest.

Precision engineered Airflow Technology.

The foam structure inside the Cloud Nine Apex collection beds have been precisely engineered with airflow channel technology that allows optimal breathability for added temperature regulation.

Key-hole structural design with Unique Hip Support Technology

The intelligently designed airflow channels have been engineered to compress in a way that supports and molds to the contours of your body and sleeping position providing the ultimate sleeping experience.

Zero movement transfer

This mattress offers zero movement transfer through Cloud Nine's advanced posture support structure; This means that you will no longer disturb sleeping partners.

Allergy Free

This mattress is 100% odor free and contains 0 chemicals that cause regular human allergies such as; sneezing or clogged up sinuses.

Hygienic & Non-Toxic

The foam used in every Cloud Nine mattress is made to be completely stable, non-toxic and hygienic.
