

Cloud Nine[®]
beds for the rest of your life

VENTILATED **Contour Memory Foam** PILLOW

- Ventilated contour memory foam helps promote maximum airflow. Reduces heat build-up and provides comfortable sleep.
- Designed to perfectly align your head, neck, and shoulders, this pillow promotes better sleep posture, reducing aches and pains. The memory foam contours to your unique shape, providing personalized support throughout the night. Enhanced with ventilation channels, it ensures optimal airflow, keeping you cool and comfortable.
- Eco-Friendly  TENCEL[®] cover for natural softness and comfort.
